

Even if you're currently employed, consider this:

Crawford Tree & Landscape, a TCIA accredited and family owned company since 1969 is currently seeking to fill 2 full-time Plant Health Care (PHC) technician positions. Applicants with experience and training in the many aspects of tree and shrub care will find a satisfying and safe work environment with opportunities for advancement in the industry as we make continuing education a priority.

CTL is an exciting, driven company full of opportunity and growth. Set an appointment, ads don't tell the whole story!

We like to see but do not require all of the following:

- Pesticide applicators license (turf and landscape 3.0)
- Pesticide applicators license (turf and landscape 5.0)
- Field experience
- ISA certified arborist status
- CDL

Our Technicians perform a wide range of services such as root excavation, the fertilization of trees and shrubs and many other systemic and foliar treatments to improve the health of our client's tree and plant life. While additional CTL staffing is responsible for turf and planting bed applications, all employees will be expected to perform snow/ice management services throughout the winter season.

Compensation:

Hourly and above industry standard

Benefits include:

A REAL AND LIVE SAFETY CULTURE, \$1,500 signing bonus, health insurance compensation, company outings, continuing education funds, WAA and TCIA conference attendance, certification fee reimbursements, vacation pay, Certified arborists on staff..... but most importantly, being part of a team actively pursuing growth in our knowledge and in the fair treatment of our clients and their properties.

Our process:

Please submit your work history via e-mail to (jonwelch @ crawfordtree.com) and thank you for considering Crawford Tree.
